what to expect

Every year, hundreds of professionals representing the broad spectrum of California's grocery industry convene for three days in Palm Springs to collaborate, network and develop new approaches to their businesses. CGA combines these foundational elements with an exciting line-up of speakers that challenges you to think differently and anticipate the changing trends and new directions of the industry.

Conference sponsors gain the added benefit of a set number of private, pre-arranged meetings with selected participating retailers that promises to increase your effectiveness, generate fresh strategies and new business leads.

BREAK AWAY FROM THE TYPICAL TRADE SHOW EXPERIENCE

At the CGA Strategic Conference, we have turned the typical trade show experience into a uniquely productive opportunity to gain meaningful appointments with some of your top customers.

- Would you like to showcase your newest products in a traditional 10 x 10 display space? We offer that, but we pair this with pre-scheduled, face-to-face meetings with category buyers from California's top grocery retailers.
- Would you prefer to have your own, customized meeting room to design the environment that reflects your brand and in-store product displays? No problem! And we will bring the customers to you.
- Or, if you are looking for a more exclusive, customized opportunity to promote your company without the normal sponsorship clutter that also includes integrated sampling opportunities, we've got you covered.

Not only that, but CGA packs the agenda with multiple networking opportunities and top-caliber educational sessions creating a highly-productive, three-day event that will help build your business with California's retail grocers.
